

**FICEP/FISEC GAMES**  
**23.-29.07.2022**

**COME BACK STRONGER**

**KLAGENFURT**

**AM WÖRTHERSEE**

# ARRIVAL DAY (23<sup>rd</sup> of July)

At your residence, someone from our team will be waiting for you, who will show you the location. That way, the installation on the accommodation is as smooth as possible.

For accreditation people from the OK team will come to your accommodation, except the teams who will stay at the Jugendgästehaus Klagenfurt Neckheimgasse. Those teams, please come to the OK office:

Address: **SPORTUNION Kärnten**  
**Wilsonstrasse 25**  
**9020 Klagenfurt**

The secretariat will be open every day from Mo-Fr 9:00 to 14:00 for the daily bulletins of the games and any communication with the organizers.

The office can be reached at the number +43 677 64753770

**For the accreditation, please bring all necessary documents:**

- Identity cards full delegation (ordered team by team)
- Pass photos full delegation (if not already received)

After dinner the **head of delegation** and **1 coach for each sport** has to come to the Sportpark for the technical meetings and the presentation of the Games.

Coaches from Kolping (bus station in front of the accommodation) and Mladinski Dom will be picked up at 18:20, coaches from Hermagoras, Don Bosco and Sekirn will be picked up at 18:30 at their accommodation. The heads of delegation will be picked up just around the corner of their hotel (bus station Neuer Platz) at 18:30.

Coaches from Neckheimgasse, please wait in front of your accommodation at 18:45.

**Sportpark**  
**Siebenhügelstrasse 107**  
**9020 Klagenfurt**

19:00 – 20:00 Technical Meetings and meeting of the delegation leaders  
VIP room – Sporthalle Sportpark

20:00 – 22:00 Presentation of the Games and Welcome drink with the mayor  
Foyer Sportpark

# TECHNICAL MEETING FOR COACHES

The technical meetings for the team sports will be held parallel to the meeting of the heads of delegation, on Saturday 23<sup>rd</sup> of July at 19:00. The meetings will take place in the VIP room of the Sportpark. An employee of FISEC/FICEP 2022 will guide the coaches to the right place.

After the meetings there will be a "Meet and Greet" with the Mayor at the foyer of the Sportpark.

# PRESENTATION OF GAMES

All heads of delegation are invited to the presentation of the Games. This presentation will take place at the Sportpark, on Saturday, July 23<sup>rd</sup> at 20:00.

The Mayor of Klagenfurt will be there for a „Meet and Greet“ and welcome everybody to the FICEP/FISEC GAMES 2022.

There will be transportation to the various accommodations after the welcome drink.

# WELCOME TO AUSTRIA, KÄRNTEN, KLAGENFURTAM WÖRTHERSEE

Mother nature meant well when she created Carinthia, Austria's sunny south. Numerous unpolluted, warm bathing lakes await visitors here in the middle of the Alps. So do mountains, ranging from the mighty three-thousanders to the gentle Nock Mountains. From their peaks, the view roams over a country that is characterized by the cultural diversity of the Alpe-Adria region, by the mild and sunny climate on the southern side of the Alps and by people who greet their guests cheerfully, openly and with a large helping of joie de vivre. Carinthia boasts more bodies of water than any other state in Austria - it has no fewer than 200 bathing lakes, 8,000 kilometres of rivers, 60 mineral springs and 43 glaciers.

During the course of the year, Carinthia is a popular stage for sports events. Those of international fame include Lake Weissensee's alternative to Dutch eleven cities tour (ice skating marathon), the United World Games, the Ironman, European Bike Week, and international soccer matches. Especially the region close to the Wörthersee is ideal for major sports events: the weather is mostly sunny, there are several sports venues suitable for international competitions, and the distances between the various kinds of accommodations and the sports venues are short.

It is difficult to select a representative overview from the variety of cultural activities in Carinthia. The highlights include the Ingeborg Bachmann Prize - the Festival of German-Language Literature, the Carinthian Summer Music Festival, and the Wörthersee Classics Festival. Among the museums that are especially worth visiting are the Carinthian Museum of Modern Art, the Museum Liaunig, one of the largest private collections of contemporary art in Austria, and the Werner Berg Museum. Theatrical events await not only at the Klagenfurt Municipal Theatre, but also at the Neue Bühne Villach theatre and the numerous summer festivals.

Another important aspect is the cultural diversity: Carinthia has borders with Italy and Slovenia. Thus, Carinthia has a rich cultural heritage. This is also reflected in the Carinthian Alpe-Adria cuisine, which blends fresh ingredients from the region, ancient cooking traditions and new interpretations into a delicious whole.

# WELCOME TO AUSTRIA, KÄRNTEN, KLAGENFURT AM WÖRTHERSEE

Klagenfurt is a provincial capital in the southern part of Austria and the historical, economic, and cultural heart of Carinthia. It is located on the eastern shore of Lake Wörthersee. The landmark of this town is the Lindwurm, a winged dragon whose monument is on the Neuer Platz. Nearby, frescoes and reliefs adorn the opulent 16th-century cathedral. Baroque and Renaissance buildings line the narrow streets around the Old Square, which is home to the bright yellow 17th-century Old Town Hall.

The city lies in the center of three cultures: It takes only 45 minutes to drive to Italy and only 30 minutes to reach Slovenia by car.

Klagenfurt has about 102.000 inhabitants. The town still has a beautiful historic center with restored arcaded Renaissance courtyards: Klagenfurt was awarded the prestigious Europa Nostra Diploma three times. There you can find exquisite restaurants, nice boutiques, and historic churches. On the New Square (Neuer Platz) is the Lindwurm Fountain, a famous tourist attraction.

Don't miss the following attractions:

- *Minimundus*: replica of the world's most famous buildings
- Planetarium
- *Reptilienzoo*: zoo presenting about 1,000 reptiles
- Boat trips on the Wörthersee
- *Stadtpfarrturm*: church in the center of Klagenfurt
- *Kreuzbergl*: recreation area

# OUR VALUES

SPORTUNION supports international human rights. This becomes apparent in the following aspects:

- In 2020, SPORTUNION Kärnten integrated a Code of Honor into its statutes (see attachment „Code of Honor“). This document has to be signed by all employees responsible for the event.
- To prevent risks, experts are part of the OK team; in addition, external partners have been involved in the organization of the event.
- **All delegations have to ensure, that the athletes have sufficient insurance coverage. The proof of insurance for each athlete has to be submitted to the OK office.**
- In case of violation of the Code of Honor of SPORTUNION, especially with regard to the prevention of sexual harassment, a responsible multiplier of SPORTUNION Kärnten will be available. As a sports psychologist, she will serve as a highly qualified contact person during the entire event. This will also be announced on the website. In addition, one member of the OK team is also a member of “100%Sport”, the Austrian center for gender competence in sports. The handout „For Respect and Safety“ will be available in the OK office. SPORTUNION developed a schedule for interventions that becomes effective, if cases of violation of the Code of Honor or of sexual harassment are reported: <https://sportunion.at/projekte/fuer-respekt-und-sicherheit/#intervention>
- In the **Youth Forum**, the young people will have the opportunity to independently work on specific topics and to present these. In this way, their self-confidence will be strengthened and it is ensured, that their voices will be heard.
- The **Code of Honor** also integrates additional children’s rights. In order to guarantee the best possible health care for the athletes, two ambulances will be on duty during the opening and the closing ceremony. One representative of the Medical Committee of FICEP (physician and doping control officer) will be available during the entire event. For mental health issues, the multiplier of SPORTUNION (a sports psychologist) will serve as a contact person.
- In cooperation with NADA Austria, an anti-doping desk will be organized to provide necessary information. To stress the importance of fairness and respect, during the opening ceremony representatives of the referees, coaches, and athletes will make an oath. Furthermore, the Fair Play Awards will be awarded (see attachment). All sports competitions are open for male and female athletes. Reports in the media (website, social media) will follow the guidelines of SPORTUNION (see attachment).
- In order to protect the environment, free public transportation between accommodations and sports facilities will be offered during the games and already existing infrastructure is used. **Also every athlete will receive a bottle to be used for the whole week. Our tap water is perfectly clean.**
- To solve problems and react to complaints the OK office will be open daily and two meetings of the heads of delegation will take place. At the sports venues, the OTIs will supervise, if competitions are fair and all participants follow the values of FISEC and FICEP.

# General information about the FISEC-FICEP Games

The 'Fédération Internationale Catholique d'Education Physique et sportive' - abbreviated FICEP - was founded as 'Union Internationale des Oeuvres Catholiques d'Education Physique' in 1911 and currently consists of 12 member associations. Its current name was given to the organization in 1947. The FICEP is an international sports association acting on the basis of ethical ideals of Christianity, advocating the Christian ideas of man in sports and communities. The FICEP understands sports as a means of development for each individual on the basis of the message of the Gospel regarding physical, mental, social, ethical and cultural aspects.

In addition to that the FICEP communicates ideals like fairness, tolerance, charity or respect of life via the means of sports. The organization assists young people by offering them the possibility to carry out sports activities on an international basis and to engage for the advancement of nations in a globalized world.

FISEC is an international schoolsports organization. FISEC's members are national sports and schoolsports organizations with a catholic signature. The main objective of FISEC is to organize every year the FISEC Games. Participation in the FISEC games is open to members and potential members.

Although FISEC and FICEP have a long tradition in the organization of sports games, the partnership between the two associations started in 2011. The first joint games took place in 2014 in Strebersdorf, Austria. In 2016, the games were organized in Beauvais (France), then in Genk (Flanders, Belgium) and in Bucharest (Romania). Due to the COVID-19-pandemic, unfortunately the games had to be cancelled in 2020 and 2021. Thus, **Come back stronger** is the slogan of the FISEC/FICEP-Games in 2022 in Klagenfurt/Wörthersee.

# Cultural aspects

The FICEP/FISEC games bring together young people from all over the world. As a result, a variety of cultures will characterize the games and various languages – German, English, Portuguese, Italian, Dutch, and several others – will be heard.

The **opening and the closing ceremony** will take place in a huge sports hall, so that all participants can celebrate together. Besides the official speeches, there will be a show program organized by local clubs to give athletes from other disciplines the opportunity to present themselves.

**The bazaar** will be organized at the Sportpark. The participants will be able to present the culture of their home countries and sell traditional products. In doing so, money for a charity project will be collected.

As a **culture trip**, a paper chase through the historic center of Klagenfurt will take place. The young athletes will have to solve funny tasks and, in doing so, will learn a lot about the city.

# Social aspects

The FICEP/FISEC Games will bring together roughly 800 young athletes from all over the world and from different cultures. Especially because the games had to be cancelled due to the COVID-19 pandemic in 2020 and 2021, the event in 2022 in Klagenfurt sets an example by motivating people to do sports together.

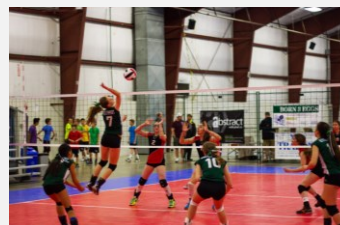

The Sportpark will be the center of the games, where most of the sports venues will be situated, as well as the Youth forum, ceremonies and the meetings.

**"Come back stronger"** is the focus of the games. In the Youth forum discussions will be held in connection with social themes.

During the bazaar, a cultural exchange evening, the young athletes will be given the chance to present their home countries and collect money for a charity project.

Community and fairplay are also central values of these games. Therefore, by the end the games, **Fairplay Awards** will be awarded.

# Sports aspects

Of course, a big part of the FICEP/FISEC Games are the sport events. The FICEP/FISEC Games can be compared to Olympic Games for young athletes, only a bit smaller.

Participants from 14 countries will present their achievements in the following disciplines: **athletics, swimming, table tennis, basketball, volleyball and futsal.**

All sports venues are designed for national and international competitions. All competitions will take place under international conditions and the supervision of official referees. An important element is the integration of junior referees, who will be able to gain valuable experiences under the supervision of experienced experts.

# SPORTS INFRASTRUCTURE

All the sports facilities are distributed throughout Klagenfurt, except for the swimming competitions. They are all state of the art and competitions are regularly held there.

Sportpark Klagenfurt is the biggest venue, where the opening and closing ceremony will take place as well as volleyball competitions and the bazaar.

The Sportpark Halle is one of the largest multifunctional sports halls in Austria and was completed in 2013. The facility is designed as a quadruple hall for sporting as well as cultural and social events and is equipped with state-of-the-art sound technology as well as video wall.

The athletics facility, Leopold Wagner Arena, was only opened in May 2012 and offers the athletes a corresponding modern infrastructure.

In addition to a modern running track with 8 running tracks, a covered winter running track and various jumping and throwing facilities, the athletes also have spacious lawns available for their training sessions.
